

William (Tucker) Schibler

Boston, Massachusetts | (504) 444-9403 | schibler.w@northeastern.edu | [linkedin.com/in/william-schibler](https://www.linkedin.com/in/william-schibler)

EDUCATION

Jesuit High School of New Orleans, New Orleans, LA

May 2024

High School Diploma

GPA: 4.35

Activities: Varsity Football, Varsity Rugby, Mock Trial, National Honors Society, Sodality

Honors: 36 ACT score, National Merit Finalist, Blue Jay (Student) of the Year, Allstate Sugar Bowl Chapter Scholar Athlete

Northeastern University, College of Engineering, Boston, MA

May 2028

Bachelor of Science in Mechanical Engineering, Minor in Aerospace

GPA: 3.93

Activities: Aerospace NU: Liquid Rocket Engine, Makerspace Trainer, Makers Club, Intramural Flag Football, Catholic Center

Honors: ASME Student of the Week, Dean's List, Best Event of the Year Club Award, Engineering Honors Society (Tau Beta Pi)

Coursework: Fluid Mechanics, Thermodynamics, Dynamics, Mechanics of Materials, Cornerstone of Engineering 2, Introduction to Electrical Engineering, Bioengineering Measurements and Statistics

Skills

Hardware: MIG/TIG Welding, CNC Mill, Water Jet, Laser Cutting, Soldering, Function Generator, Oscilloscope

Software: SolidWorks, Fusion 360, AutoCAD, MATLAB, Arduino, C++

Engineering Experience

NU Aerospace: Liquid Rocket Engine | *Project Leader & Contributor* | Boston, MA

September 2025 - Present

- Participated in pressurized fluid system testing for a bi-propellant rocket feed system.
- Assisted in test operations through system setup, valve checks, and monitoring pressure behavior.
- Drafted, 3D modeled, ordered, water jetted, & assembled metal components for engine test stand.
- Leading a team to construct a custom capacitive fill sensor that will measure liquid oxygen volume in a propellant tank.

Makerspace Explorer | *Explorer & MIG Welding Trainer* | Boston, MA

September 2025 – Present

- Teach patrons the fundamentals of MIG welding and practice on a weekly basis.
- Troubleshoot and repair equipment such as laser cutters, 3D printers, and soldering stations.
- Assist students and teams in designing and prototyping across academic, personal, and club projects.
- Conduct orientations with group size ranging from 1 to 30+ new patrons weekly.

STEM Game for Children | *Team Lead & Builder* | Oakland, CA

February 2025 – April 2025

- Designed and created an interactive magnetic marble maze for children with a team of four.
- Contributed via wood working, 3D modeling, 3D printing, electronics, and embedded code.
- Led and contributed to multiple project phases while tracking goal progression and group time management.

Bioengineering Wet-Lab Work | *Student* | Boston, MA

September 2025 – December 2025

- Manipulated and analyzed biological materials in a wet-lab setting.
- Created code for simulations and data analysis to draw conclusions and relationships between variables.
- Learned the process of forming hypotheses from research, conducting an experiment, and communicating results in a clear and effective manner.

Leadership and Extracurriculars

Makerspace Club | *President & Club Founder* | Oakland, CA

February 2025 – April 2025

- Facilitated all communication with club advisors, sponsors, board, and club members.
- Organized student engagement events, conducting 7 events in 12 weeks, with substantial attendance.
- Created engaging activities for the student body, using equipment such as the laser cutter, 3D printer, vinyl cutter, etc.
- Awarded for hosting the best club event of the year, as voted on by Student Involvement staff

Camp Smile | *Counselor* | Mobile, AL

July 2023-2025

- Cared for people with mental/physical disabilities at a weeklong, overnight camp; counselors were paired with campers and required to guide them through daily activities.
- Counseled campers from ages 12 to +30 with disabilities such as cerebral palsy, autism, and down syndrome.
- Recognized by staff for exemplary leadership, determination, and compassion.
- Trusted by camp staff to speak about the camp on local news television.

Varsity Football | *Team Leader, Linebacker* | New Orleans, LA

December 2020 – November 2023

- Led a team of +100 students from 8th – 12th grade, on and off the football field.
- Built better connections with the team than any player in +15 years, as described by the high school's athletic director.
- Earned multiple awards for academic and athletic achievement, as well as sportsmanship, over +200 athletes.

Interests: Sudoku, Rugby, Football, Videogames
